SINGING ROCK s.r.o.

EC Directive 89/686/EEC

EC Type-examination

Issue 1

PPE Product

Singing Rock® INOS 6N Webbing Type Retractable Lifeline for Vertical Use with a 20mm dyneema lifeline with fitted snap hook connector at the foot and stainless steel karabiner at head of casing and have a nominal length of 6m.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard:

EN 360:2002 (Retractable type fall arresters) with a manufacturers claimed maximum user load of 140kg, for vertical use.

The manufacturer's information notice (inos Vertical Retractable Lifeline Instructions for use, Model no. INOS 3.5, INOS 6N, INOS 10, INOS 20), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file: PAT NBK-2015-001, dated 2015/9/7 with supplement.
